

M&A Integration: Thought Leadership Exchange

From Target identification to Post Merger Integration

Thursday May 11th, 2017 - De Veranda, Amstelveenseweg 764, Amsterdam

Global PMI Partners would like to invite you to their forthcoming Global PMI Network event

The Global PMI Network is part of Global PMI Partners and is focused on nurturing a network of practitioners, thought-leaders, advisors and other associates who believe in enriching the M&A experience by exchanging thoughts and ideas.

Leading practitioners from a diverse range of disciplines and functions will share their thoughts on the complexity of cross-border M&A, current trends and future outlook of transactions.

Global PMI Partners is a professional services company specializing in M&A Post-Merger integration, Carve-Outs and Business Transformation. We have offices across the globe and have participated in 250+ M&A projects.
